

## **SCHOLARSHIP OPPORTUNITIES FOR HIGH SCHOOL STUDENTS**

By the [American School Counselor Association](#) for [GuidanceChannel.com](#)

As spring approaches, school counselors are busy helping many high school seniors put the finishing touches on their college applications and providing words of comfort to others as they anxiously watch the mailbox waiting to hear from those schools to which they have already applied. School counselors are also helping many of these same students try to find ways to supplement the ever-increasing cost of college. Below is a comprehensive list of scholarships available to college-bound minority students that may be useful to school counselors as they help students navigate the road to higher education.
